

# ACE Train Service is Coming to the Manteca Transit Center - Tell Us How to Connect You!

## Downtown Transit Center Connectivity and Enhancement Plan

### Goals

- Build upon recent planning efforts including the Active Transportation Improvement Plan in East Manteca, the Active Transportation Plan, and the ongoing General Plan Update.
- Support first and last-mile connections to the new Altamont Commuter Express (ACE) Rail service coming to the Downtown Transit Center
- Identify infill opportunities to support economic revitalization in the Downtown area

### Timeline

Now - early 2023.

### ABOUT THE PROJECT

The City of Manteca, in partnership with CivicWell, Catholic Charities Diocese of Stockton (CCDS), and a team of consultants led by Fehr and Peers, will prepare a plan that will identify solutions to transform the area in the vicinity of the Transit Center into a high quality walkable and transit-oriented district. This project is funded through a Caltrans Sustainable Transportation Planning Grant awarded to the City of Manteca
