Tree Planting Resources:

Arbor Day Foundation:
➢ Guidelines for tree care with specific tips listed below. For complete list please follow link:
http://www.arborday.org/trees/tips/index.cfm

Finding a Tree: http://www.arborday.org/trees/tips/finding-a-tree.cfm
➢ Information on the best type of tree for your area
➢ Online tool in selecting the right tree for the right place:
http://www.arborday.org/shopping/trees/treeWizard/intro.cfm
➢ Guidelines for selecting a healthy tree:
http://www.arborday.org/trees/tips/selecting-a-healthy-tree.cfm

Planting a Tree: http://www.arborday.org/trees/tips/planting.cfm
➢ Videos on how to plant bare root, balled/burlapped and containerized trees

California ReLeaf Members:
➢ http://californiareleaf.org/programs/network/find-a-local-organization/

Cal Poly:
➢ http://selectree.calpoly.edu/

Davey Resource Group (DRG):
➢ Form available for customers who are interested in tree planting:
http://www.davey.com/residential-services/tree-planting-transplanting/tree-planting-services/
➢ Additional resource for fall planting:
http://blog.davey.com/2013/10/reasons-why-you-should-consider-fall-tree-planting/

International Society of Arboriculture (ISA):
➢ Detailed PDF/DWG files of tree planting details and specifications:
http://www.isa-arbor.com/education/onlineResources/cadPlanningSpecifications.aspx

West Coast Arborists:
➢ Tree planting services:
http://westcoastarborists.com/services/maintenance-services/reforestation/
➢ Contact region of interest for more information: http://westcoastarborists.com/contact/

Inland Urban Forest Council:
➢ Coordinates tree plantings and educational programs with community groups:
http://www.inlandurbanforestcouncil.org/index.php?option=com_content&view=article&id=51&Itemid=58

Urban Tree Foundation:
- ➢ Promoting the Urban Forest through education, tree planting and tree care
- ➢ Contact information: http://www.urbantree.org/index.shtml

Urban Tree Key:
- ➢ http://urbantreekey.calpoly.edu/

Water Use Classification of Landscape Species:
- ➢ Offers valuable regional guide for trees and other landscape plants based on their water needs: http://ucanr.edu/sites/WUCOLS/Plant_Search/?CFID=98669733&CFTOKEN=40905792

Tree Inventory:

Bartlett Tree Experts:
- ➢ Tree inventory offered as a residential service, contact information also listed: http://www.bartlett.com/tree-inventory.cfm

Davey Resource Group:
- ➢ Tree inventory services, contact information available: http://www.davey.com/natural-resource-consulting/urban-forestry/tree-inventory/

Talking2Trees:
- ➢ Software to collect and manage urban tree inventory data: http://www.talking2trees.com/
- ➢ User guide: http://t2trees-test.weebly.com/uploads/3/9/6/2/39626035/_t2t_getting_started_with_v1.3.pdf

West Coast Arborists:
- ➢ Tree inventory services: http://westcoastarborists.com/services/management-services/tree-inventories/
- ➢ Contact region of interest for more information: http://westcoastarborists.com/contact/

Tree Care/Maintenance:

Anderson Tree Experts Inc:
- ➢ Pruning services, health and maintenance evaluations. Located in Oakdale, CA: https://plus.google.com/105290107712314617144/about?gl=us&hl=en

Bartlett Tree Experts:
- ➢ Pruning services for mature trees, young trees and specialty pruning. Other pruning resources available on web page as well: http://www.bartlett.com/pruning.cfm

Asplundh:
- ➢ Offer street and park tree pruning. Contact information available on web page: http://www.asplundh.com/services_municipal_DOT.htm

California ReLeaf Network Members:
- ➢ http://californiareleaf.org/programs/network/find-a-local-organization/

Central Valley Trees & Landscape Service:
- ➢ Offer corrective pruning for young and mature trees: http://www.cvltrees.com/treeWork.html
- ➢ Contact information link: http://www.cvltrees.com/contact.html

Davey Resource Group:
- ➢ Tree trimming and pruning services. Contact information available on web page: http://www.davey.com/residential-services/tree-care-maintenance/tree-trimming-and-pruning/

Urban Tree Foundation:
- ➢ Promoting the Urban Forest through education, tree planting and tree care
- ➢ Contact information: http://www.urbantree.org/index.shtml

Management Plan:

CommunityViz:
- ➢ GIS modeling software to help users envision changes to their landscapes and understand the ecosystem service impacts associated with those alternatives: http://placeways.com/communityviz/

Inland Urban Forest Council:
- ➢ Provide workshops on the Urban Forestry Management Plan Tool Kit: http://www.inlandurbanforestcouncil.org/index.php?option=com_content&view=article&id=57&Itemid=63

California Urban Forest Council:
- ➢ Free toolkit for anyone managing a large population of trees in or near urban areas: http://www.ufmptoolkit.com/

Davey Resource Group:
- ➢ Offer management software that help clients: track work histories and costs for each tree, record requests for tree service, create work orders for crews and contractors, evaluate planting sites, calculate tree values and benefits, and accurately determine budgets:

> http://www.davey.com/natural-resource-consulting/urban-forestry/urban-forestry-management-software/
> ➢ In addition to management software, they also provide management planning:
> http://www.davey.com/natural-resource-consulting/urban-forestry/management-planning/

West Coast Arborists:
> ➢ Offering a variety of management services:
> http://westcoastarborists.com/services/management-services/
> ➢ Contact information link: http://www.cvltrees.com/contact.html

Ordinances/Policy:

International Society of Arboriculture:
> ➢ Tool for local governments/communities interested in developing, revising, or evaluating tree ordinances:
> http://www.isa-arbor.com/education/resources/educ_TreeOrdinanceGuidelines.pdf

Other Resources:

Azavea:
> ➢ Modeling software to create customized heat maps showing the ideal places to plant trees. Predicts other environmental/economic benefits trees provide as well:
> http://www.azavea.com/a/urban-forestry-modeling/

BenMap:
> ➢ EPA is integrated in i-Tree ECO and uses open sourced software with GIS to estimate economic and health implications of urban forests based on air quality. When changes in air quality occur, BenMAP is able to calculate the changes to economic and health factors:
> http://www2.epa.gov/benmap

Natural Resource Conservation Service (NRCS):
> ➢ Soil data, maps, and survey information for 95% of the Nations counties:
> http://websoilsurvey.sc.egov.usda.gov/App/HomePage.htm

i-Tree
> ➢ USDA Forest Service resource tool that provides urban forestry analysis and benefits assessment tools. Contains different applications that cities can use to determine economic and environmental values they receive from their trees: https://www.itreetools.org/index.php
> ➢ Guidance on how to use these application can be found here:
> https://www.itreetools.org/resources/manuals.php

OpenTreeMap:

➢ a collaborative platform for crowdsourced tree inventory, ecosystem services calculations, urban forestry analysis, and community engagement: https://www.opentreemap.org/

National Tree Benefit Calculator:
➢ Free online tool that allows users to calculate the value of a tree by entering a zip code or using the map feature: http://www.treebenefits.com/calculator/

plan-it GEO:
➢ A geospatial technology firm that specializes in Urban Tree Canopy Assessment, Web & Mobile Tree Inventory, Software (Urban Forest Cloud), Scenarios Planning Tools (CommunityViz), Ecosystem Services (i-Tree), and Research: http://www.planitgeo.com/#!urbanforestry/cam6

Tree/plant species w/high tolerance for salt in irrigation water:
➢ Species list for trees/plants with a high tolerance for reclaimed water, includes California natives: http://www.water.ca.gov/pubs/conservation/recycled_water_use_in_the_landscape/recylandscape.pdf

Urban Forestry South:
➢ Comparison of urban forest inventory and management software systems (download PDF): http://www.urbanforestrysouth.org/resources/library/citations/comparison-of-urban-forest-inventory-management-software-systems

USDA Forest Service:
➢ List of tree inventory management software: http://na.fs.fed.us/urban/inforesources/inventory/Tree%20Inventory%20Software%20List%20-%20%20January%202014.pdf
