

SPONSORSHIP OPPORTUNITIES AND BENEFITS

Building Livable Communities March 5-8, 2020 Yosemite National Park

We are looking for Conference Sponsors that are leading the way in creating innovative solutions for increasing resiliency and implementing smart-growth strategies in a time of rapid change.

Join an intimate gathering of 100 + California mayors, city council members, county supervisors, city managers and other high level department heads in the middle of the breathtaking beauty of Yosemite National Park at the 29th Annual Yosemite Policymakers Conference in March 2020.

This popular conference always features a timely and inspirational agenda designed to assist California's local elected officials in finding the tools and support they need to implement innovative solutions to address society's most pressing challenges.

The Yosemite Policymakers Conference is presented by the Local Government Commission

Leaders for Livable Communities

LGC does an excellent job of combining inspiration and big ideas with practical examples of how to put those ideas into practice in our local jurisdictions. That helps me get energized and pragmatic – a winning formula!

Supervisor Jane Parker, Monterey County
