About the Forum

The CCEC Forum brings together several hundred local government staff, elected officials, and community organizations to collaborate and learn from one another as they advance fair and equitable climate and energy practices.

This event features engaging sessions, expert plenaries and keynotes, and new, innovative activities that help climate and energy leaders and practitioners connect, learn about innovative projects and strategies, share best practices, and troubleshoot challenges.

Participants attend the CCEC Forum to...

- Engage in interactive discussions with peers from across the state
- Learn about the latest climate and energy news and opportunities
- Connect with leaders pursuing cutting-edge climate initiatives
- Exchange knowledge, best practices, and innovative strategies

By sponsoring the 2027 Forum, your agency, organization, or company can demonstrate leadership and commitment to advancing fair and equitable climate change and energy practices while engaging with hundreds of climate leaders in unique and interactive ways.
